At Risk Youth: Difference & Sameness

Speaker - Dr. Martin Brokenleg, Dean of the Circle of Courage Institute, Lennox, South Dakota

At Risk Youth: Difference and Sameness

Youth come from many different cultures in Canadian society and yet professionals are often trained to think of all youth as alike.

What is culture? How does the school experience affect culturally diverse youth? How do youth workers respond to youth who are different in significant ways?

We will explore these questions to begin serious dialogue about useful approaches to youth.
