In-Danger of Failing Report

Dear Parents/Guardians:

Teachers are electronically sending in-danger reports for students with marks of 60% and below. We hope the information provided below will allow you to assist your child in preparing a plan to reach a successful conclusion to the indicated course(s).

You are receiving a hard copy of the in-danger report because we do not have an accurate email address for you. Please provide your email address to our school as soon as possible.

If your child is experiencing difficulty with a class, please review some or all of the following:

- Is he/she attending classes regularly?
- Is he/she completing homework on a daily basis?
- Is he/she completing all assignments?
- Is he/she doing nightly review?
- Is he/she preparing for examinations?

If you require additional specific information or would like to speak with the teacher, please call the school or send the teacher an email. Staff email addresses are available on our website at the following address:
