Nelson High School Update

Sept. 30, 2011

We are grateful for belonging to a caring school community. Last Friday, two students were injured in an accident. Both girls have returned to school and are healing well. We are very proud of our students, staff, and parents who supported each other throughout the scene and are advocating to the City Of Burlington to review solutions to ensure the traffic flow is better on New Street. We continue to offer counseling for students needing support in dealing with this experience. Please come to guidance anytime.

Great news! Two Nelson teachers are being recognized for their contributions and skills --

- Ms. Kendra Chow has been awarded Ontario's Best Pre-Service Music Educator of the Year
- Ms. Ashley Stephenson has been inducted into the University of Wilfrid Laurier's Hall of Fame for her contributions to Canada's hockey AND baseball teams

Upcoming Dates:

Oct 3rd - 6th at lunch: Student Photo packages available for pick up outside of Nelson Student Office (adjacent Main Office)
