Subject Line: Nelson Students go to work

Take Our Kids to Work Day was a successful and exciting day our grade 9 students. Thank you to all the parents that participated in the event, whether you took your own child or a friend or neighbour to work with you, we greatly appreciate it! Thank you also to all the employers who hosted students. Your participation in this event provided our students with a unique learning experience. The day's experiences will help students make decisions about their pathway planning in addition to helping them develop an appreciation for how their parents make a living and support their family.

What our grade 9 students had to say about the event...

..."It takes time to work your way up the ladder - you need to learn alot". - Scott

..."I got to see the whole mining process from beginning to end, from extraction to filing the hole". Ryan

..."I got to go to a field I am interested in. I had fun!" - Caroline

Thank you again for your support in making the day a meaningful experience for our students! See you on Parent-Student-Teacher Interview Night on Thursday, 24 November 2011.
